

W-2G, 1099 or Win/Loss Statement Request

In order for Sac and Fox Casino to release this information, each customer is required to submit a signed "W-2G, 1099 or Win/Loss Statement Request Form". Only official request forms will be accepted for processing.

Please note: The tax statement request is only available for Winner's Club Card members and those individuals who had W-2G or 1099 gambling winnings. Sac and Fox Casino does not track play that is not associated with a customer Winner's club card account. For more information regarding the claiming and filing of gambling winnings customers should contact the IRS or their tax advisor.

By signing below, the patron hereby releases Sac & Fox Casino, its officers, directors, employees, and agents from and against any loss, cost, expense (including attorney's fees and costs), damages, liability or claims of any kind. Additionally, patron hereby agrees to indemnify Sac & Fox Casino for, from and against any loss, cost, expense (including attorney's fees and costs), damages, liability or claims of any kind related to releasing this information. The undersigned acknowledges that the information being provided is based on player tracking information which includes only the play when the undersigned's Winner's club card was connected to the system, and may not accurately reflect the amount of the undersigned's play since the undersigned can play when the card is not connected to the system, and is derived from a system that does not verify the identity of the person using the player card and may include estimated amounts to correct human error in inputting information. I further understand that the information requested is generated from internal marketing systems and is not intended to be or take the place of my own records of my gaming activity. Sac & Fox Casino makes no representation or warranty, express or implied as to the accuracy of this information or its effectiveness as proof of losses.

By signing below, I attest that I am the one and same person as the person identified above.
